Policy

- [CPP-II-C-4-300](#), **Human Services Police**: The New Jersey Human Service Police (NJHSP) provide certain services to staff in DCF's Division of Child Protection and Permanency (CP&P), such as assisting CP&P staff in high-risk situations (which include assistance with in-office and field visits), locating missing children and families, conducting background checks, and transportation of children with extreme behavioral issues. However, due to a reduction in force, NJHSP may not be able to assist CP&P as readily. To ensure that staff is supported, as necessary, the DCF Security Advisors will monitor all NJHSP requests for assistance. This will allow the DCF Security Advisors to be engaged early in the process so that they can prepare an internal safety and security plan for the office/staff. This will also allow the DCF Security Advisors to prepare for alternate safety measures should NJHSP be unable to provide police services. The following form attachment, [Request for HSP Services](#), has been revised to properly document and monitor requests by CP&P to The New Jersey Human Service Police (NJHSP). All workers shall use this form for all requests to NJHSP for security related services.
